8 Classes | #1326 | \$522.00

This is a high paced class designed for competitive, high-level players 16-years & older.

During this program, the Elite Coaches will be combining Elite's Edge, Power & Stride with key aspects of the Specialized Hockey Development program. The concentration will be on core skating fundamentals, adapting edge-work for game-like situations and advanced skill development.

These sessions will maintain a high pace – taking advantage of every second we have on the ice. Elite coaches provide meticulous attention to detail, constant feedback & correction and continually look to improve each individual athlete. Our mission is to develop each player to have them best prepared to excel in-game.

The program is a perfect way for skaters to prepare for their pre-season camps.
